

I am alarmed that the FCC would consider allowing further media consolidation. Please don't weaken the NEWSPAPER-BROADCAST CROSS-OWNERSHIP RULE.

The FCC should be enhancing and expanding The People's protection. To do otherwise is undemocratic and against the Free Market. Afterall, if a single company owns the media in a city, a Free Market will not exist. This would be a terrible loss to all of us.

Please strengthen our Freedoms, don't weaken them.
